About This Game

Turn-based historical simulation strategy. Develop the Greek civilization from the small village to the great city-state when it will dominate the world!

FEATURES

During the 4000 years (from 3000 BC to 1000 AD), you will have to:

- Raise the population
- Invent technologies
- Construct buildings
 - Trade goods
 - Explore world
 - Found new cities
- Start and end wars with neighbors
- Survive through the hundred real historical events.

The key to victory is choosing the right development priorities, allocating resources and managing the foreign policy. Mechanics of the game is a mix of old-school game designs.
